

Executive Cabinets – for protecting documents and personal belongings against theft and fire

Executive

FIRE-RESISTANT DOCUMENT PROTECTION

Fire can strike anywhere – the office or the home. Chubb safes' Executive Cabinets provide peace of mind: in the event of a fire breaking out, you can be sure that your paper work can be recovered in a usable condition. Executive cabinets are ideal for storing essential documents such as wills, property deeds, contracts, insurance policies and many more.

Key Features

- Certified by both SP (NT 017) and UL (UL 350 1hr) for 60 minutes fire-resistance.
- Overall body thickness of 50mm, comprising an inner and outer steel shelf containing a specially formulated fire-resistant solid barrier material.
- Overall door thickness of 66mm.
- Models come with a choice of two lock options
 - A cylinder lock utilising a secure flat profile key
 - A user-friendly programmable electronic lock.
- An anchoring kit is supplied which allows the safe to be securely base-fixed, preventing unauthorised removal.
- All models come with internal fittings as standard, meaning that the unit is ready for use as soon as it is received.
